

## 2010 Green Wellie Newsletter

Welcome all new parents/carers, please feel free to pop into the office, telephone or email any queries/concerns you may have.

**Thank you** so much to everyone for the marvellous support you have given our children in the Meningitis 'Toddle Waddle', so far we have returned £467.50 with another £82.00 to go in, making the total £549.50!!!!!!

**Good news:** We have been told by Suffolk County Council that we meet the conditions for inclusion in to the Directory of Providers, therefore as anticipated **we will be taking the Government Early Years funding for 3 & 4 year olds from September.** A detailed letter will follow.

**Roo's Corner** (Baby Unit) now have a 'Wow' board in their room too, please have a look and see if your child has had a wow moment!

**Congratulations** to Kerry and Emma who have passed their Level 3 NVQ in Childcare, well done to you both, its difficult studying when you work full time! Emma will be our SENCO and starts that training in September.

**Swimming** Natalie and Jazmin are completing their life guard training on 27<sup>th</sup> and 28<sup>th</sup> May. Swimming is starting on **2<sup>nd</sup> June on Wednesdays and Thursdays.** Please make sure your child has a named towel, named costume and swim nappy (if needed) on those days.

**My Learning Journeys** Your child's Learning Journey is now in a box for your perusal, Owls, Pooh's and Piglets are in a box outside the office, the Baby End have their own box by their entrance. Please feel free to have a look your child's Learning Journey in their folder, whilst respecting other children's privacy. Please bring in named **SUN HATS** everyday.

In our **vegetable garden** the children are growing potatoes, runner beans, sun flowers, onions and pumpkins (hopefully ready for Halloween!)

**Please be aware** that we have had a few children with **Chicken Pox**, this is contagious before the spots appear, so it is impossible to prevent it spreading. Children can return to nursery once all the spots are scabbed over.

Please bring in any Tesco or Sainsburys vouchers that you have around the home.

**Recycling Cartridges** Please see attached letter, we will be recycling ink cartridges for 'special' nursery equipment, can you (or maybe your company) bring in any cartridges to help us and do a little bit to stop these going into landfill.

**A plea** If you have any old towels that you are throwing away please could we have them, they are very useful.

PLEASE RETURN SUN CREAM PERMISSION SLIPS TO ALLOW US TO APPLY  
SUN CREAM ON YOUR CHILD.
